

Exterior Source Earns Esteemed 2015 Angie's List Super Service Award

Award reflects company's consistently high level of customer service

Exterior Source has earned the service industry's coveted Angie's List Super Service Award, reflecting an exemplary year of service provided to members of the local services marketplace and consumer review site in 2015.

"We are excited and honored to receive the Angie's List Super Service Award for the 5th year in a row," said Rod Renfrow, owner and president of Exterior Source. "We are dedicated to giving our customers the highest quality materials, installation and service in the industry. Thank you to all of our staff for making this possible."

"Only about 5 percent of the gutter repair and replacement companies in Virginia have performed so consistently well enough to earn our Super Service Award," said Angie's List Founder Angie Hicks. "It's a really high standard."

Angie's List Super Service Award 2015 winners have met strict eligibility requirements, which include an "A" rating in overall grade, recent grade, and review period grade; the company must be in good standing with Angie's List, pass a background check and abide by Angie's List operational guidelines.

Service company ratings are updated daily on Angie's List. Companies are graded on an A through F scale in areas ranging from price to professionalism to punctuality.
