EXTERIOR SOURCE SELECTED AS ONE OF 60 LEADERS OF CUSTOMER SATISFACTION

Richmond, Virginia, August 16, 2019 - Exterior Source, serving the Central Virginia and Tidewater areas, was selected as one of 60 leaders of high levels of customer satisfaction in the 5th annual *Qualified Remodeler GuildQuality* Satisfaction Report.

This is the third consecutive year that Exterior Source has been included in the report, which is based on ratings from *GuildQuality*, a third-party customer satisfaction software surveying company.

Along with the strong U.S. economy, the remodeling industry continues to grow. More homeowners are choosing to remodel and refresh their homes than ever before. What do these homeowners value when choosing a remodeler? The customer satisfaction report shows that “trust, value and solutions” take the top three spots in providing client happiness.

“We value the trust that our customers have in us,” said Rod Renfrow, owner of Exterior Source. “We understand that they expect us to do what we say we’re going to do – show up on time, install our products expertly, clean up the site, and answer any questions or concerns at the completion of the project.”

Exterior Source achieved a recommendation rate of 98.34% in 2018 from customers surveyed by *GuildQuality*.
