ColorPlus® Technology

**PERFORMS BETTER.
LASTS LONGER. STAYS COLORFUL.**

Dream Collection™ products offer you the elevated design flexibility you want with the uncompromising performance you expect from James Hardie® fiber cement products. All 700+ colors offered in our Dream Collection products come in ColorPlus® Technology finishes to ensure your color stays beautiful for years to come.

- Our proprietary finish is baked-on in a factory controlled environment to ensure maximum color consistency and performance.
- ColorPlus Technology resists fading, discoloration, chipping and cracking, meaning less maintenance for you.
- We back our ColorPlus Technology finishes with a 15-year limited warranty.
