FOR IMMEDIATE RELEASE

**Exterior Source named to
Qualified Remodeler
TOP 500 for 2021**

Chesapeake, Virginia (August 10, 2021) – *Qualified Remodeler*, a leading publication serving remodelers and home improvement companies in the U.S., has ranked Exterior Source as the No. 140 on its 43rd annual TOP 500 remodelers of 2021. Since 1978, the QR TOP 500 has tracked the industry's largest and fastest growing companies. In 2021, the TOP 500 represented \$13 billion in remodeling sales volume on 1.1 million jobs.

Exterior Source was chosen as a 2021 TOP 500 remodeler by the *Qualified Remodeler* editorial staff for meeting a set of criteria including installed remodeling dollar volume, total years in business, industry association membership, industry certification, industry awards and community service.

"We are honored to be listed as one of the Top 500 remodelers in the United States," said Rod Renfrow, owner of Exterior Source. "Last year brought its own unique challenges and it took a team effort from everyone in sales, marketing, our office staff and our installers, to embrace new ways of operating our business. We grew as a company and learned to be resilient, something that we'll carry forward into the future."

"Based on *Qualified Remodeler's* analysis, firms that are ranked on the 2021 TOP 500 are experiencing a boom in business. Firms that have made the list multiple years tend to share common attributes — strong revenues, a commitment to customer service, as well as leading sales and marketing programs," said, Patrick O'Toole, co-owner and publisher of *Qualified Remodeler*. "These attributes helped put the firms on this list and contribute to their ongoing success in remodeling and home improvement."
